The award recognizes the best safety system practices in organisations which are then used for benchmarking exercises. For 2013, more than 107 companies in the manufacturing sector participated in the contest and L&T MFF-Hazira ranked first. The jury was chaired by Mr. R. Chidambaram, Principal Scientific Advisor, Government of India and other dignitaries. One of the largest modular fabrication facilities in South Asia, MFF Hazira caters to the global oil & gas industry, both Upstream (exploration & production) as well as Mid & Downstream (refining, gas processing, petrochemicals, etc.).
