L&T-Chiyoda Receives Intergraph Golden Valve Award 2016

L&T-CHIYODA LIMITED was awarded FIRST PRIZE in the GOLDEN VALVE AWARD 2016 competition by Intergraph Corporation, USA.

L&T-Chiyoda's entry in the 'Discipline Specific' category was adjudged as "The Best" amongst various entries received from Intergraph 3D modelling system users worldwide.

The Golden Valve Awards competition annually recognises the most innovative and Well-executed uses of software supported by Intergraph® Process, Power & Marine.

The winners were announced on June 14, 2016, in Anaheim, California, at the HxGN LIVE international conference
