Confederation of Indian Industry - Southern Region EHS Awards 2016

L&T Hydrocarbon Engineering's Modular Fabrication Facility, Kattupalli (MFF-K) clinched 4-Star rating at the Confederation of Indian Industry (CII) - Southern Region EHS Awards 2016. The award was received by MFF-K's HSE team at a glittering function in Chennai.

MFF-K also secured first place at CII EHS Sector Award 2016.

The award was in recognition of the company's demonstration of best practices and innovation in EHS Management system.

The award was conferred on LTHE after a rigorous assessment process that evaluated company's EHS management system and best practices.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, playing a proactive role in India's development process.
