# **L&T Hydrocarbon Bags Orders Worth Around ₹ 4000 Crores**

**Mumbai, March 30, 2017:** L&T Hydrocarbon Engineering Limited (LTHE), a wholly-owned subsidiary of Larsen & Toubro, has bagged orders totalling close to **₹ 4000 crores** in the International market.

LTHE won a major Onshore EPC contract, from a prestigious client, for the Design, Supply, Construction and Commissioning of a large petrochemical facility in the Middle East.

The Modular Fabrication business of LTHE also secured significant orders for the supply of modularized structures and skids for ongoing refinery projects in the Middle East and Africa.

The orders were won against international competitive bidding and reinforce LTHE's unique capability to deliver 'design to build' engineering and construction solutions across the hydrocarbon spectrum.

**Background:** Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with over USD 16 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.
